Our website states that *"Parish Church of England Primary School seeks to serve its community by providing excellent and creative education in a Christian setting. Believing that all people are created and loved by God, Parish School has a real and deep concern for each individual, rooted in an ethos which welcomes and affirms. All are to feel valued and each pupil is to have the very best chance of personal and educational development."*

As a school our core values are respect, generosity, honesty, integrity, care and trust. These values will define the way we view the world, our personal relationships, and our vision for the school. In order for pupils of all ages to understand these values we promote them through the teaching of the Fruits of the Spirit (love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self control).

Over a three year cycle we focus on one or two of these 'fruits' in order to deepen our Christian character and shape the relationships between all members of the school community or one of our core values.
