Explanations

EYFS

The Department for Education (DfE) has a 'good level of development' (GLD) performance measure for pupils in the Early Years Foundation Stage (EYFS). Children will be defined as having achieved a GLD if they achieve at least the expected level in:

1. The early learning goals (ELGs) in the 3 prime areas of learning (communication and language; physical development; and personal, social and emotional development); and
2. The ELGs in the specific areas of mathematics and literacy.

Phonics

The phonics screening check is a short, simple assessment to make sure that all pupils have learned phonic decoding to an appropriate standard by the age of 6.

Teacher Assessment

Teacher assessment (TA) judgements in English reading, English writing, mathematics and science are reported at the end of KS1. TA is based on a broad range of evidence from across the curriculum and knowledge of how a pupil has performed over time.

KS2 scaled scores

Each child is given a scaled score as a number based on the number of marks he/she receives in a test. Children may achieve a score of:

1. Below 100, meaning they have not achieved the 'expected standard'
2. 100, meaning that they have reached the 'expected standard'
3. Above 110, meaning that they have exceeded the 'expected standard'

Success isn't just about what you accomplish in your life, it's what you inspire others to do.
